

**Index**  
 Newsletter (Magazine) of American Bamboo Society  
 by Betty Shor

done through 33(6), Dec. 2012

Note: Flowering records are not entered here; these are in the Flowering list compiled separately by Betty Shor; the annual list of flowering is included here when it was published.

Lists of auction plants are not entered.

Items offered for sale are not entered.

Announcements of forthcoming meetings are not entered.

Summaries of chapter activities are not entered.

Page numbers are the first page only; they may continue for one or more pages.

Note: only 5 issues were put out in 2002 (numbers 1-5); in 2003 there was no number 2.

|                                                                                                                 | Vol. No. Page   |
